## **Report of One Day Online Workshop on SWAYAM NPTEL (11<sup>th</sup> August, 2020)**

---

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

The courses hosted on SWAYAM are in 4 quadrants – (1) video lecture, (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy / technology.

Courses delivered through SWAYAM are available free of cost to the learners, however learners wanting a SWAYAM certificate should register for the final proctored exams that come at a fee and attend in-person at designated centres on specified dates. Eligibility for the certificate will be announced on the course page and learners will get certificates only if this criterion is matched. Universities/colleges approving credit transfer for these courses can use the marks/certificate obtained in these courses for the same.

### **Credit Transfer**

UGC has already issued the UGC (Credit Framework for online learning courses through SWAYAM) Regulation 2016 advising the Universities to identify courses where credits can be transferred on to the academic record of the students for courses done on SWAYAM. AICTE has also put out gazette notification in 2016 and subsequently for adoption of these courses for credit transfer.

The current SWAYAM platform is developed by Ministry of Education and NPTEL, IIT Madras with the help of Google Inc. and Persistent Systems Ltd.

In this context to aware the teachers and student of the college, Internal Quality Assurance Cell of the colleges has taken an initiative to organize a One Day Online Workshop on SWAYAM NPTEL. The workshop has organized with following objectives;

## Objectives of Workshop

1. To aware teachers and student regarding SWAYAM platform.
2. To attract the student and faculty members toward the new teaching pedology.
3. To adopt the recent trends in teaching -learning process.
