Proposed for the prestigious

Shivneri Mahavidyalaya

Taluka Shirur Anantpal, District Latur, Bhingoli Road, Latur-413544 (Maharashtra State), India

Date of preparation of policy: 18 January 2024

Policy no: GV/ PL/ 01-24/ZP-2

Environment Policy

DISCLAIMER – This policy has been prepared by team 'Greenvio Solutions' based on audit. The inferences are used as a base in formulating the policy. The implementation is dependent on Institutional capabilities. Thus, presented plan of action is a feasible document to be practiced by the stakeholders.

Policy statement

The said policy is applicable for the **academic year 2022-2023 and 2023-2024**. The study helps to denote positive and negative aspects of the site context w.r.t. ecological parameters.

Policy motive (Green cover)

- The Institute maintains *more than 50 to 60% of site with green cover*
- The green cover is available includes – *Natural plantations, potted plantations*

Policy objectives

- Regularize site context study as a consistent activity.
- Explore opportunity for *carbon sequestration study of environment, documentation and publishing of a book with all plantations in premises, develop site layouts with green cover for macro level (entire site) and micro level (Individual blocks)*

Policy implementation

- Increase stakeholder sensitization about:
 - *Improving the environmental ambience*
 - *Green practice initiatives for societal development*
 - *Ecological interventions for local villagers*
 - *Collaborate with local governance for rural upliftment*
- *Fire & Life safety practices* enhanced with cooperation of stakeholders and local government
- *Undertake green zone development activities in nearby villages.*

Policy history

The Indian and International Green Building Standards were referred to draft this policy.
