## Introduction

Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years, ragging has claimed hundreds of innocent lives and has ruined the careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students. The Ragging is defined as any disorderly conduct, whether by words spoken or written or by an act, has the effect of teasing, treating, or handling with rudeness a fresher or a junior student. Indulging in a rowdy or undisciplined activity that causes or is likely to cause annoyance, hardship, or psychological harm or to raise fear or apprehension thereof in a fresher or junior student. Asking the students to do any act or perform something that such students will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or junior student. This can lead to adverse effects such as depression, anxiety, and sometimes even suicide.

### **ZERO TOLERANCE POLICY IN INDIA**

No act of ragging, major or minor, shall go unnoticed. No ragger, male or female, student or non-student, shall go unpunished. Regulatory provisions and the appropriate law are in force to eliminate ragging in all its forms from the universities, deemed universities and other higher educational institutions in the country by prohibiting, preventing its occurrence and punishing those who indulge in ragging.

### **UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009**

Ragging is a criminal offense and UGC has framed regulations on curbing the menace of ragging in higher educational institutions in order to prohibit, prevent and eliminate the scourge of ragging.
