Three Days (Online FDP-I) On
“Applications of ICT Tools in Teaching”
20th to 22nd July, 2020

As the COVID-19 resulted lockdown the face-to-face teaching learning process is get hampered in all educational institutions. In order to avoid the loss of students in terms of their academics to maintain the consistency in teaching learning process was major concern before academicians. To overcome this issue the option of teaching through online mode has been considered a prominent solution.

With considering the lack of awareness among the faculty members regarding the techniques for online teaching and learning, there is strong need to trained the teachers on priority basis to adopt online teaching methods.

In this context the Internal Quality Assurance Cell of the colleges has taken an initiative to aware and trained the teachers regarding various modes of online teaching. The college has organized Three Days Faculty Development Programme on ‘**Applications of ICT Tools in Teaching**’ from 20th to 22nd July 2021.

Objectives of the Faculty Development Programme

1. To aware teachers regarding need and importance of online teaching in context of lockdown period.
2. To aware the teachers about various modes/platforms of online teaching.
3. To inculcate the knowledge regarding creation of Google forms, Use of Google classroom for online teaching and Certification methods.

About Programme

The programme was inaugurated by the auspicious hand of Dr. O. W. Jadhav, Principal of Shivneri Mahavidyalaya, Shirur Anantpal. Dr. Jadhav have offered floral tribute to portrait of Late Shri. Vishwambharrao ji Mane, Founder of Shivneri Mahavidyalaya. He has also offered an oral well-come to the all-resource person. He has given a brief information about the college in this inaugural speech.

The moto and concept of the programme has been briefly summarized by Dr. A. M. Late, IQAC Coordinator.

Day-1 (20th July, 2020)

After inaugural programme in subsequent session Mr. P. G .Kumdale has given a brief presentation on creation and use of Google forms in online teaching and evaluation process. He has given a demonstration through his video by using modular google forms. He has highlighted the applications of google forms for collection baseline data of students during admission process and other purposes. He has focused the importance of google forms organizing various programmes through online mode.

Day-2 (21st July, 2020)

On second day Mr. M. D. Wakde has given detailed introduction about the use Google classroom platform for creating a online class, sharing of study material to students through various mode and evaluation of students. He has given demo on conducting a class through this platform. He has emphasized the importance of google classroom in context to offer an education to the students as per their convenient time too.

Day-3 (22nd July, 2020)

On last day of programme Dr. A. M. Late given his presentation on creation of certificate linked with the google form questionnaire. He has given some template certificates in response to feedback given by the participants.

The programme has been concluded by Mr. Vilas Lute, Head Department of Dairy Science by expressing a vote of thanks.

Mode of Programme and Participants

The Faculty Development Programme has been conducted through you tube videos. A separate you tube link has been provided to the registered participants. In the last session feedback form link (<https://forms.gle/u2a9AbG8qc2fwzfh9>) has been given to the participants. After successful response the provided link the certificate of participation has been sent to the concerned through email.

The programme has received a good response from the teachers. About 40 participants were participated in this event.
