Three Days (Online FDP-II) On
“Applications of ICT Tools in Teaching”
27th to 29th July, 2020

As the COVID-19 resulted lockdown the face-to-face teaching learning process is get hampered in all educational institutions. In order to avoid the loss of students in terms of their academics to maintain the consistency in teaching learning process was major concern before academicians. To overcome this issue the option of teaching through online mode has been considered a prominent solution.

With considering the lack of awareness among the faculty members regarding the techniques for online teaching and learning, there is strong need to trained the teachers on priority basis to adopt online teaching methods.

In this context the Internal Quality Assurance Cell of the colleges has taken an initiative to aware and trained the teachers regarding various modes of online teaching. After completion of First FDP on online teaching with considering the response of teachers. The college has organized another Three Days Online Faculty Development Programme on ‘**Applications of ICT Tools in Teaching**’ from 27th to 29th July 2020.

Objectives of the Faculty Development Programme

1. To aware teachers regarding need and importance of online teaching in context of lockdown period.
2. To aware the teachers about various modes/platforms of online teaching.
3. To inculcate the knowledge regarding creation of Testmoz, Moodle and Use of OBS for recording the lectures.

About Programme

In the beginning on programme Dr. O. W. Jadhav, Principal of Shivneri Mahavidyalaya, Shirur Anantpal given an inaugural message. He has also offered an oral well-come to the all-resource person. He has given a brief information about the college in his inaugural speech.

The moto and concept of the programme has been briefly summarized by Dr. A. M. Late, IQAC Coordinator.

Day-1 (27th July, 2020)

After inaugural programme in subsequent session Dr. V. K. Mukke has given a brief presentation on creation and use of Testmoz in online teaching and evaluation process. He has given a demonstration through his video by using templates of Testmoz. He has highlighted the applications of Testmoz in evaluation of students.

Day-2 (28th July, 2020)

On second day Mr. M. D. Wakde has given detailed introduction about creation of Moodle's in online teaching. This platform used for sharing of study material to students through various mode and evaluation of students.

Day-3 (29th July, 2020)

On last day of programme Dr. V.K.Mukke given his detailed presentation on use of OBS for recording a lectures for sharing through online mode amongst the students. He has given live demonstration on steps involved in recording the lectures.

The programme has been concluded by Dr. H.D. Wagalgave, Assistant Professor, Department of Geography by expressing a vote of thanks.

Mode of Programme and Participants

The Faculty Development Programme has been conducted through you tube videos. A separate you tube link has been provided to the registered participants. In the last session feedback form

(<https://docs.google.com/forms/d/1LyLHubrWw2mJC3GmDh9T1zpwDsx9QpPlvAGzQpmJKDo/edit>)

link has been given to the participants. After successful response the provided link the certificate of participation has been sent to the concerned through email.

The programme has received a good response from the teachers. About 33 participants were participated in this event.
