## *A REPORT OF GEOGRAPHY STUDY BOARD.(2017-2018)*

### **06 September 2017 (Shirur Anantpal)**

On the occasion of Geography Study Board ,the department of Geography of Shivneri Mahavidyalaya, Shirur Anantpal has organized A special Programme on Geography Study Board . This yearly activity is a major part of department of geography, Shivneri Mahavidyalaya, Shirur Anantpal, Dist. Latur.

In the occasion of Geography Study Board, Department inaugurated the Wall Poster of “Interior of the Earth”.

### **Objective of the Geography Study Board:**

The following objectives would be achieved: To orient the students towards identification and analysis of various facets of geographical features and processes. To develop students' aptitude for acquiring basic skills of carrying out field work. To facilitate the students to learn skills of map making.

Students will learn and understand the interplay of humans and the environment, and the effects of humans on the environment. This includes not only the distributions of environmental features, conditions, and resources, but also where people live and how they use the environment.

### **Purpose of the day:**

Geography can help us understand the planet's movement, changes, and systems. Topics that are relevant to today such as climate change, water availability, natural resources, and more are much easier understood by those who know geography well.

Geography degrees give you the opportunity to put what you learn into practice before you graduate. You'll have the opportunity to take part in fieldwork to enhance your studies – as well as conducting your own, related to what you're interested in. Fieldwork is an excellent tool that allows you to gain practical real-world experiences, develop new skills and immerse yourself in your studies.

Students that study geography tend to be more open-minded and show a clear interest in the world. You will typically have international opportunities throughout your degree. Shivneri College Shirur Anantpal Dist. Latur at SRTM University, Nanded you have the option to conduct fieldwork abroad, which will help

you experience other cultures and environments to help expand your global perspective. Alongside this and your academic knowledge, transferable skills and world view, you will be highly prepared for an international career and will stand out in the global employment market.
