DEPARTMENT OF ENVIRONMENTAL SCIENCE

International Ozone Day Celebration

(16th September, 2018)

Introduction:

In 1994, the UN General Assembly proclaimed 16 September the International Day for the Preservation of the Ozone Layer, commemorating the date of the signing, in 1987, of the Montreal Protocol on Substances that Deplete the Ozone Layer.

The Department of Environmental Science has organized World Ozone Day on 16th September 2018.

Objectives of the Event

1. To aware the students, teachers and society regarding the importance of Ozone.
2. To understand the history and importance of celebration of International Ozone Day.
3. To aware the students regarding the Theme and concept of International Ozone Day.
4. To address the importance and role of individuals in the process of environment protection and conservation.

Date: 16th September 2018

Name of the event: World ozone day

Venue: Department of Environment Science

No of participants: 24

Brief report of the event is summarized as below

The programme has been presided by Dr. A. N. Pawar, Principal, Shivneri Mahavidyalaya, Shirur Anantpal. The chief guest of the function was Mr. Shyam Kamble sir. Department of Geography, Suryawanshi Baburao, Department of Zoology. as guest of honour were present on dais. The programme was anchored by Shelke Rohit First year.

The Chairman and Chief Guest were felicitated and welcomed on behalf of Department of Environment by offering a bouquet of flower as token of love.

The introductory speech was delivered by Dr. V K Mukke sir. He explained in brief the importance of ozone day celebration and formation.

Chief guest of the function has delivered his speech and enlightened the students. In his briefing he focused the historical background of celebration of International Ozone Day and aims, objectives and theme of programme. He also explains the importance of ozone layer in life of any organism and threats to the ozone layer by over increasing growth and developmental activities. Chief guest emphasized on the role of community and an individual in favor of ozone layer protection.

He also encouraged and appealed to students for active participation in college activities. He also appreciated the efforts taken by the department of Environmental science for organization of the programme.

The programme concluded with the vote of thanks by Dr. A. M late, Assistant professor, Department of Environment. The events have received a good response from students.
