**DEPARTMENT OF ENVIRONMENTAL SCIENCE**

# International Ozone Day Celebration

## (16<sup>th</sup> September, 2019)

---

### **Introduction:**

In 1994, the UN General Assembly proclaimed 16 September the International Day for the Preservation of the Ozone Layer, commemorating the date of the signing, in 1987, of the Montreal Protocol on Substances that Deplete the Ozone Layer.

The Department of Environmental Science and department of geography organized World Ozone Day on 16<sup>th</sup> September 2019.

### **Objectives of the Event**

1. To aware the students, teachers and society regarding the importance of Ozone.
2. To understand the history and importance of celebration of International Ozone Day.
3. To aware the students regarding the Theme and concept of International Ozone Day.
4. To address the importance and role of individuals in the process of environment protection and conservation.

**Date:** 16<sup>th</sup> September 2019

**Name of the event:** World ozone day

**Venue:** Department of Environmental Science

**No of participants:** 32

### **Brief report of the event is summarized as below**

The programme has been presided by Dr. V. K. Mukke, Head Department of Environmental Science. The chief guest of the function was Mr Kamble S. N., Dept. of Geography, Shivneri Mahavidyalaya, Shirur Anantpal, and Dr. A. M late sir as coordinator were present on dais. The programme was anchored by student Miss. Gudale Sakshi BSc Second year.

The Chairman and Chief Guest were felicitated and welcomed on behalf of BSc Fy, Sy and Ty students, Department of Environmental Science by offering a bouquet of flower as token of love. The introductory speech was delivered by Dr. A. M. Late sir. He explained in brief the importance of ozone day celebration and formation of Board of studies at college level. Among students Miss Bolange A. S. (B.Sc Third year Environmental Science students) gave a seepch on Ozone Depletion and its protection. BSc Second year students involved in poster making and unveiled by the auspicious of chief guest and chairman of the function.

At the end, the Chief guest of the function Mr. Kamble S N sir gave his presidential address. In his briefing he focused the historical background of celebration of International Ozone Day and aims, objectives and theme of programme. He also explains the importance of ozone layer in life of any organism and threats to the ozone layer by over increasing growth and developmental activities. Chief guest emphasized on the role of community and an individual in favor of ozone layer protection.

He enlightens the student by sharing his views regarding the role of ozone in environment and formation of board of studies in subjects at college level. He also encouraged and appealed to students for active participation in college activities. He also appreciated the efforts taken by the department of Environmental science for organization of the programme.

The programme concluded with the vote of thanks by Gudale sakshi, BSc SY Student. The events have received a good response from students.

## **A Report on World Ozone Day..**

### **16<sup>th</sup> September 2019 (Shirur Anantpal)**

On the occasion of **'World Ozone Day'** the Department of Geography of Shivneri Mahavidyalaya, Shirur Anantpal, Dist.Latur has organized a special yearly departmental activity on **'World Ozone Day'**

This activity is a core part of Department of Geography of Shivneri Mahavidyalaya, Shirur Anantpal dist. Latur.

It draws attention to the environment and promotes conservation and sustainability, World Ozone Day is observed on September 16 every year to spread awareness among people about the depletion of Ozone Layer and find possible solutions to preserve it. On this day, people from all over the world hold talks and seminars on the ozone layer.

In 1994, the United Nations General Assembly proclaimed 16 September the International Day for the Preservation of the Ozone Layer, commemorating the date of the signing, in 1987, of the Montreal Protocol on Substances that Deplete the Ozone Layer

### **Objectives of 'World Ozone Day'**

The principal aim of the Montreal Protocol is to protect the ozone layer by taking measures to control total global production and consumption of substances that deplete it, with the ultimate objective of their elimination on the basis of developments in scientific knowledge and technological information..

#### **▪ Purpose of the 'World Ozone Day'**

Its purpose is to regulate the production, consumption, and emissions of ozone-depleting substances (ODSs). The parties to the Protocol meet once a year to make decisions aimed at ensuring the successful implementation of the agreement.

## ▪ **About Programme**

The special Yearly Departmental programme was inaugurated by the auspicious hand of Dr. O. W. Jadhav, HOD Geography of Shivneri Mahavidyalaya, Shirur Anantpa, Dist. Latur. He has given an introductory speech which covers the moto and concept of programme.

In the beginning Mr. Shyam Kamble has given a brief introduction of Dr. D.K.Dhumale, Head, Dept. of Political Science, Shivneri Mahavidyalaya, Shirur Anantpa, Dist. Latur. resource person of the programme.

Dr. D.K.Dhumale highlighted the introduction, need and importance of **'World Ozone Day'**. He shared his experiences regarding the conservation methods for resource utilization of earth planet. He has appealed to all participants to promote the awareness activities regarding the **'World Ozone Day'**.

In the mid-session Dr. H.D. Wagalgave, Assistant Professor, Department of Geography has shared their thoughts regarding the importance of **'World Ozone Day'** and need of awareness regarding the conservation of earth planet.
