A REPORT OF GEOGRAPHY STUDY BOARD. (2021-2022)

08 August 2021 (Shirur Anantpal)

On the occasion of Geography Study Board ,the department of Geography of Shivneri Mahavidyalaya, Shirur Anantpal has organized A special Programme on Geography Study Board . This yearly activity is a major part of department of geography, Shivneri Mahavidyalaya, Shirur Anantpal, Dist. Latur

Objective of the Geography Study Board:

The following objectives would be achieved: This includes not only the distributions of environmental features, conditions, and resources, but also where people live and how they use the environment.

To orient the students towards identification and analysis of various facets of geographical features and processes. To develop students' aptitude for acquiring basic skills of carrying out field work. To facilitate the students to learn skills of map making.

Purpose of the day:

Geography can help us understand the planet's movement, changes, and systems. Topics that are relevant to today such as climate change, water availability, natural resources, and more are much easier understood by those who know geography well.

Geography degrees give you the opportunity to put what you learn into practice before you graduate. You'll have the opportunity to take part in fieldwork to enhance your studies – as well as conducting your own, related to what you're interested in. Fieldwork is an excellent tool that allows you to gain practical real-world experiences, develop new skills and immerse yourself in your studies.

Students that study geography tend to be more open-minded and show a clear interest in the world. You will typically have international opportunities throughout your degree. Shivneri College Shirur Anantpal Dist. Latur at SRTM University, Nanded you have the option to conduct fieldwork abroad, which will help you experience other cultures and environments to help expand your global

perspective. Alongside this and your academic knowledge, transferable skills and world view, you will be highly prepared for an international career and will stand out in the global employment market.

About Programme:

The special Programme was inaugurated by the auspicious hand of Dr.D.P. Bhise , Assistant Professor,department of Geography of Late Venkatrao Deshmukh Mahavdyalaya, Babhalgaon,Tal. Dist. Latur., He has given a introductory speech which covers the motto and concept of Geography Study Board , the dignitaries have inaugurated the Earth Globe Puja.

ONE DAY WEBINAR ON

“Role of Youth in Environment Conservation”

5th June 2021 (Shirur Anantpal)

On the occasion of ‘World Environment Day’ the Department of Environmental Science in collaboration with Internal Quality Assurance Cell of Shivneri Mahavidyalaya Shirur Anantpal has organized a One Day webinar on “Role of Youth in Environment Conservation”.

Objectives of the Webinar

1. To aware the students, teachers and society regarding the various environmental issues, their impacts and remedial measures.
2. To understand the history and importance of celebration of World Environment Day.
3. To aware the students regarding the Theme and concept of World Environment Day.
4. To address the importance and role of youth in the process of environment protection and conservation.

About Programme

The webinar was inaugurated by the auspicious hand of Dr. O. W. Jadhav, Principal of Shivneri Mahavidyalaya, Shirur Anantpal. Dr. Jadhav have offered floral tribute to portrait of Late Shri. Vishwambharrao ji Mane, Founder of Shivneri Mahavidyalaya. He has also offered an oral well-come to the all-resource person. He has given a brief information about the college in this inaugural speech.

The moto and concept of the webinar has been briefly summarized by Dr. V. K. Mukke, Head, Department of Environmental Science. He has highlighted the importance of the ecosystem for balanced environment.

In the beginning Dr. A. M. Late given a brief introduction of Dr. Bapusaheb Bhosale, Head, Department of Environment Education and Water Security, Shivaji College, Parbhani (M.S) resource person of the programme.

Dr. Bhosale highlighted the history, need and importance of the World Environment Day. He has given a detailed account of the various environmental issue from local to global level before human society. He explained the importance of each living and non-living component of the

ecosystem for its functioning and balancing the environment. He has given some examples of species extinction due to habitat loss and human interface. He highlighted the role of youth in the activity of environment protection and conservation. He summarized the activities through which the youth can play a vital role in environment conservation.

Mode of Programme and Participants

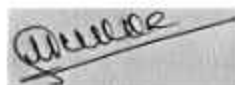

The webinar has been conducted through Stremyard Platform and live streaming has been carried out through Facebook page of college (<https://www.facebook.com/SMSA347/>).

The webinar has got a huge response from the participants viz. students, teachers, researchers, NGO's and citizens. In this webinar **306 peoples** were participated virtually through Facebook live. The feedback form has been prepared with the google form and link has been provided to the participants to share their comments regarding the programme. After submission of the feedback form E- certificates were issued to them through their registered email. About 80 participants responded to the provided feedback form. Even after completion of the programme the organizers has also shared the link of the Facebook page and You Tube (<https://youtu.be/XipWW2h7ZyY>) for viewing the recorded programme.

The programme has been anchored by Dr. A. M. Late, Co-ordinator, IQAC. Mr. Vilas Lute provided the technical support for the organization of the webinar.

At the end Mr. S. N. Kamble proposed a vote of thanks.

In order to make the programme at grand success all teaching, non-teaching staff rendered their support.
