

Shivneri College, Shirur Anantpal

Carrier Counseling Report

Introduction

Shivneri College, established in 2000 in Shirur Anantpal, serves as a beacon of higher education in a predominantly agrarian and labor-intensive rural area. Prior to its establishment, the region lacked facilities for higher education, depriving many children, especially girls, of opportunities for advanced learning. The college has since become a catalyst for the holistic development of students by providing not only academic but also extracurricular and sports facilities. With a focus on employment-oriented education, Shivneri College has initiated several programs to guide students towards successful careers. This report highlights the various initiatives undertaken by the college, including the establishment of a competitive exam center, the organization of police and army pre-recruitment training, participation in employment recruitment fairs, and the conduction of Gandhi Vichar Sanskar exams, all aimed at enhancing the educational and professional prospects of its students.

Career Katta

In collaboration with the Maharashtra State Higher and Technical Education Department and the Maharashtra Information Technology Support Center, the "Career Katta" initiative is being implemented at our Shivneri College, affiliated with Swami Ramanand Teerth Marathwada University, Nanded. Through Career Katta, students receive guidance on competitive exams. This initiative, which has been launched at our college, provides students with career and competitive exam guidance online, and students from our college actively participate in it.

Sports Department Activities

The sports department at Shivneri College organizes university-level matches. Additionally, the Police Inspector (PI) of Shirur Anantpal Police Station provided guidance to students regarding competitive exams. PI Sir offered in-depth guidance on police recruitment and competitive exams. The event was attended by the institution's Vice President, Mr. Sutejarrao Mane, Principal Dr. Narayan Suryavanshi, and a large number of students.

Gandhi Research Foundation

The Gandhi Research Foundation conducts the Gandhi Vichar Sanskar exams at our Shivneri College every year. This year, 56 students from our college participated in the exam. Two students received gold medals, and one student earned a silver medal. These exams are conducted under the guidance of our college's Principal, Dr. Arun Dhalgade. The winning students were felicitated by the Principal and the respective department faculty.

Conclusion

Shivneri College has significantly contributed to the educational and professional advancement of students in the rural region of Shirur Anantpal. Since its inception in 2000, the college has transformed the local educational landscape by providing higher education opportunities that were previously unavailable. Through the establishment of a competitive exam center and the organization of various training programs, Shivneri College has encouraged students to pursue

ers in administrative services, police, and the army. The college's proactive approach in organizing district-level employment recruitment fairs and conducting Gandhi Vichar Sanskar exams further exemplifies its commitment to the all-around development of its students. The continuous efforts of the administration and faculty to offer employment-oriented education and guidance have resulted in many students securing respectable positions in various fields. Shivneri College remains dedicated to empowering its students and fostering a community of learners who are well-prepared to meet the challenges of the future.
